Have you always wanted to meet your neighbors?

Please come join us for the 2023 Island Lakes Clean up and Family Fun Day.

Let's pitch in to make our community look great, then kick back and have some fun!

Who We Are

The Island Lakes Residents' Group (ILRG) was formed in 1989 to address the concerns of Island Lakes residents. Our board of volunteers contributes many hours of their own personal time working on many different initiatives and issues for the benefit of the whole community. Over the years, our group has been recognized and honored for our many accomplishments and continues to focus on raising funds for community projects.

Community Projects

Your ILRG Board has been involved with many projects over the years, such as the Spray Pad at Lindsey Wilson Park, Picnic Shelters, Park Exercise Equipment and, most recently, the Seigneurie Park Path Extension to Sage Creek.

What Community Improvements would you like to see next in Island Lakes? Let us know and your ILRG Board will do its best to make it happen! ilrg.memberships@gmail.com

Adopt-A-Pot

Island Lakes is the only subdivision in Winnipeg with an initiative such as our Adopt-a-Pot program. Residents volunteer to plant and care for the 170 flower pots located throughout our community. Thank you to all the volunteers. Your dedication ensures that our community is one of the most beautiful and welcoming areas in the city. If you are interested in adopting a pot, please email: ilrg.adoptapot@gmail.com
